Dear Pam Rakoczy:

Congratulations on your new Bergamasco and welcome to the world of purebred dogs. FSS recording opens doors of opportunity and excitement for every purebred dog lover. Your FSS breed is eligible to compete in Sanction B and OB matches, Obedience, Tracking, Agility, Rally, and applicable breed specific Performance events. Please contact your local kennel club for more information on the Sanction B/OB matches. Information on all other AKC events may be found on the AKC Web site.

For your newly recorded purebred dog, you are entitled to activate a one-time **Complimentary 60-Day Trial AKC<sup>SM</sup> Pet Healthcare Plan\* worth \$45—at no cost to you.** This plan helps you with unexpected veterinary bills if your pet has an accident or illness. See the enclosed information on how to activate this no-obligation coverage within 28 days of this recording.

All of us need to be responsible dog owners, and AKC offers a wealth of information on companionship and training on the AKC Web site at [www.akc.org](http://www.akc.org). Our site lists dog clubs both nationally and in your area should you wish additional information and training opportunities.

We are your canine information resource and offer a lifetime of customer service for you and your dog that is just a phone call away. Give us a call today at 919-233-9767 or email us at [info@akc.org](mailto:info@akc.org).

Sincerely,

Dennis B. Sprung

## *Congratulations!*

Dear Stephen J Rakoczy:

It is our pleasure to send you the enclosed official Canine Good Citizen<sup>®</sup> certificate recognizing the achievements of your dog. We at the American Kennel Club recognize and honor the commitment and dedication underlying this accomplishment. By participating in the Canine Good Citizen Program, you and your dog have had a successful training experience. You have also helped us in achieving the Canine Good Citizen program goals, which are to support and promote responsible dog ownership in our communities.

The Canine Good Citizen Program lays the foundation for other AKC activities such as Obedience, Rally, Agility, Tracking, and Performance events. We sincerely hope that CGC will be only a beginning for you and your dog and that you'll continue your dog's training in the different AKC events. We encourage you to contact the club of your choice to take advantage of their expert trainers. To find a list of AKC clubs for Obedience, Rally, Agility, Tracking, and a variety of performance events, please visit <http://www.akc.org/clubs/search>

If your dog is a purebred dog and does not have an AKC registration number, your dog is still eligible to participate in many AKC events. Go to the AKC Web site, [www.akc.org/reg/ilpex.cfm](http://www.akc.org/reg/ilpex.cfm), to learn how you may enroll your dog with a Purebred Alternative Listing (PAL) number or contact [PAL@akc.org](mailto:PAL@akc.org).

We take pride in your achievement and offer our sincerest congratulations. For any questions regarding the enclosed certificate, contact Sharon Wilson at 919-816-3894 or Demond Hunt at 919-816-3841 or email [cgc@akc.org](mailto:cgc@akc.org).

Sincerely,

Noreen Baxter
